

# WHAT MAKES ALAN UNIQUE?

ASSESSED BY RED BULL WINGFINDER, 16 AUGUST 2020

Top strength:

## HIGHLY ADAPTABLE

Alan prefers not to be bound by rules and routines. Because he is constantly coming up with new ways of looking at things, he appreciates freedom and flexibility.

He succeeds through

- his ability to adjust to change
- his willingness to try new things
- his flexible thinking

Responds well to new environments

Can take on too many tasks at once

Top strength:

## HIGHLY INNOVATIVE

Alan stands out for his original thinking. He prefers to avoid the obvious route when it comes to problem solving.

He succeeds through

- seeing things differently
- coming up with lots of original ideas
- finding new solutions

Enjoys coming up with innovative solutions

Can feel constrained by too much routine

These strengths are part of Alan's CREATIVITY result

Alan's CREATIVITY result measures how original and innovative his thinking is, or how logical and analytical it is. He is open-minded, enjoys novelty and change, and is often coming up with new and interesting ideas.

Top strength:

## HIGHLY SOCIABLE

Meeting people comes naturally to Alan. He is happy to be the centre of attention, even talking to groups of strangers.

He succeeds through

- his sociability
- building networks and relationships
- his enthusiasm

Thrives on meeting new people

Can find it hard to work alone

This strength helps explain the way Alan works with other people – his CONNECTIONS

The CONNECTIONS result measures how Alan manages relationships and how well he works independently. Alan enjoys being at a stage in his career where he is helping other people, establishing connections and growing a network.

Top strength:

## AGILE

Alan learns fast and enjoys solving complex problems through his logical, analytical way of working.

He succeeds through

- using reason to solve problems
- focusing on objectivity
- learning constantly

Is a natural problem-solver

May be constrained by a desire for structure and being analytical

This strength is a key part of the way Alan THINKS

THINKING measures how abstractly or concretely Alan prefers to think when solving problems. Alan is a fast learner, with a particular skill when it comes to dealing with more complex reasoning problems. It's in his nature to think logically with a knack of seeing rules and patterns in everything.
